

Greater Clear Lake Families Exploring Down Syndrome 2010 Step Up for Down Syndrome Walk Sponsorship Proposal

July 13, 2010

The Greater Clear Lake Families Exploring Down Syndrome (GCLFEDS) will hold its 1st Annual Step Up for Down Syndrome Walk - Saturday, October 16, 2010 at Big League Dreams Sports Park in League City. We are so excited about this amazing event! Families and friends will be walking together to promote awareness and acceptance of people with Down syndrome.

Support from other parents, friends, family, co-workers, businesses, and medical professionals is vital to families of a child with Down syndrome. Along with providing support and resources, GCLFED's mission is to promote awareness, understanding and inclusion of individuals with Down syndrome in their communities.

GCLFEDS provides:

- Monthly educational meetings and networking events
- Annual education conferences and frequent educational workshops
- Informative newsletters, a library and website
- New Parent Packets with resources to help parents of newborns or expectant parents
- Medical Outreach Packets to assist doctors in providing their patients with the best possible information
- Outreach to schools, medical professionals and community organizations
- Advocacy to improve the lives of individuals with DS

Please join us this year in creating a brighter future for children and adults with Down syndrome. Your sponsorship of this year's walk will enable us continue to provide critical services and programs to individuals with Down syndrome and their families. We would so appreciate your sponsorship and would also love to have you join us that day. A sponsorship form is attached or you can sponsor us online at www.clearlakeds.org. If you have any questions, please call us at (281)736-8008.

With gratitude,
